

# Home Heating Supplement Program

**New for 2026**

**The supplement amount has doubled!**

**Apply before January 15, 2027**

You could be eligible for a Home Heating Supplement valued between $400 to $1000 to help offset the cost of heating your home.

**Who can apply?** Residents of Newfoundland and Labrador whose 2025 adjusted family income was $150,000 or less and have directly paid for furnace oil or stove oil to heat their principal residence.

**Already applied or received payment this year?** No need to reapply. Your additional payment will be issued automatically.
